109 Eighth Street, Suite 308
Glenwood Springs, Colorado 81601
(970) 945-8635

The 9th Judicial District Crime Victim Compensation Board can provide Crime Victim Compensation to any person who is victimized by violent crime in Garfield, Pitkin or Rio Blanco Counties in Colorado. Colorado residents who are victimized in a state or country that does not have a victim compensation program, or residents who are victims of international terrorism, are also eligible to apply.

Victims of crime **MAY** receive up to \$15,000 per 9th Judicial District CVC policy for out of pocket expenses not covered by insurance or other collateral resources. Funds to pay crime victim compensation claims do not come from taxpayers. Instead, these funds are collected through fines from criminals convicted of felony and misdemeanor crimes, and some traffic offenses.

Listed below are the general eligibility requirements to apply for compensation.

Compensable Losses:

Only losses directly related to the compensable crime are eligible for reimbursement. These **MAY** include: **medical expenses, mental health expenses, lost wages, lost support to dependents, funeral expenses, repair and replacement of doors, locks and/or windows of residential property only, and security devices.**

Eligibility Requirements:

1. The crime must have occurred in Garfield, Pitkin or Rio Blanco County in Colorado; Colorado residents who are injured in a state or country that does not have a compensation program are also eligible to apply.
2. The crime must be one in which the victim sustains mental or bodily injury, dies, or suffers property damage to doors, locks or windows to residential property as a result of a compensable crime.
3. The victim must cooperate with law enforcement officials (district attorney, police, sheriff, department of social services).
4. The law enforcement agency was notified within 72 hours after the crime occurred.
5. The injury or death of the victim was not the result of the victim's own wrongdoing or substantial provocation.
6. The victimization occurred on or after July 1, 1982.
7. The completed application for compensation but be submitted within one year from the date of the crime; six months for residential property damage claims.

<p>PLEASE NOTE: Some of these requirements may be waived for "good cause" or in the "interest of justice" at the discretion of the board.</p>

3. Compensation for property damage may be awarded for the cost of replacement or repair to exterior doors, locks or windows that are damaged during the commission of a crime.
4. By law, you must apply for all other available sources of financial assistance or reimbursement, including private insurance, Medicaid and Medicare.
5. Please attach all bills and receipts. You may apply even if you have not received any bills as of this date.
6. Your claim will be investigated and presented to the Victim Compensation Board. This process may take up to 60 days.

8. Should your claim be denied, you have the right to request reconsideration of the Board's decision and have the right to submit new or additional information related to the reason(s) for the Board's denial or reduction of your claim. You may arrange for reconsideration by contacting the Victim Compensation Program within 60 days from the date in which you received notice of the denial or reduction of your claim. If you request a reconsideration of the Board's decision, further information concerning the reconsideration process will be mailed to you. In the event the denial is upheld by the Board, you have a right to have the Board's decision reviewed in accordance with the Colorado Rules of Civil Procedure within 30 days.

How to File a Claim:

Victims of crime are required to complete an application and submit it to the Board. Itemized bills related to the crime should be submitted with the application. If no bills have been received, an application can still be filed. Bills can be submitted to the compensation program as they are received. The processing time is approximately 60 days to be notified of the program's decision once bills have been received.

Once all of the required information is received, a case summary will be prepared for the Board's consideration at the next scheduled meeting. The Board meets once a month usually in the third week and will render a decision of approved, denied or they may request additional information. You will then be notified by mail of the Board's decision.

2. If you are covered by medical insurance, please provide the name of the insurance provider, address and telephone number, policy number, subscriber number, the amount of the calendar year deductible and a list of the covered services (usually outlined in the Explanation of Benefits). If you are applying for financial assistance with medical bills, please include a copy of the bills with the application. The Crime Victim Compensation program has established a limit on payment of medical costs. The Board will pay 65% of these costs.
3. If you are applying for financial assistance for mental health counseling costs, the administrator will review your application and the law enforcement reports. If they meet the program criteria, he will authorize three sessions with a Crime Victim Compensation approved therapist of your choice to prepare the treatment form. The therapist will then complete the treatment plan form, listing the goals and objectives for treatment, and will return the form to our office along with a bill for current services rendered. The "no contact" provision of the protection order must remain in place, excepting parenting reasons. If your medical insurance will cover a portion of counseling costs, the bill must be submitted to the insurance company. The Crime Victim Compensation program will pay a maximum of \$80-\$100 per session depending on the therapist's credentials and/or the insurance deductible plus the percentage of the bill not covered by the insurance, whichever is less.

4. If you are applying for financial assistance with loss of wages, the following must be submitted: A copy of the doctor's release stating the date you are able to return work; statement from your employer providing your hourly wage, number of hours worked weekly, dates of work missed due to the incident, and any type of compensation received (ie: sick leave, vacation, unemployment, etc). The Board pays a maximum of 65% of the gross wage for a limit of three weeks based on a maximum 40 hours per week (maximum payout \$1,000.00 per week)

5. If you are applying for financial assistance with residential property damage and or repair, the following must be submitted – a copy of the repair bill. Losses compensable as defined by C.R.S. 24-4.1-109 are repair and replacement of property damage, payment of the deductible amount on residential insurance policy and any modification to the victim's residence that is necessary to ensure the victim's safety. Residential is defined as the victim's primary place of residence as determined by the CVC Board members. Second or vacation homes are not included. The maximum limit on property damage is set at \$1,000.00. The Board will consider, on a case by case basis, requests from domestic violence victims for changing locks of the residence when the perpetrator has keys. Only one such request from any victim will be considered.

6. If you are applying for financial assistance with the payment of burial and funeral costs, the following must be submitted – a copy of the burial or funeral bill. The Board has set the level allowed for "a reasonable funeral service and burial" - the maximum limit is set at \$7,500.00.

7. If you are applying for financial assistance with loss of support, we need verification of your spouse's/partner's wages (pay stub, W2 or Tax return) in order to determine the amount of support and verification that he/she assisted in the payment of routine household expenses. If verification cannot be provided, we will use the minimum wage as the support amount. In addition, we will need complete copies of the bills you would like to be paid. The Board will not consider past due notices or late fees or bills that accrued prior to the crime date.

The program may compensate loss of support equal to 65% of the gross wage, with a maximum rate of \$1,000 per week for a limit of three weeks at 40 hours per week, earned by the defendant to a victim of domestic violence or sexual assault whose perpetrator is the main support of the family and who leaves or is removed from the family. The purpose is to assist victim in surviving without the benefit of the defendant's income.

The following must be in effect in order for the claimant to be eligible: 1. The perpetrator is not living in the household. 2. The restraining order is in effect and if it is violated by the victim, the Board may deem that contributory conduct has occurred and deny the claim. 3. The claimant must submit written verification of the family income and monthly expenses. 4. Should the defendant return home the Board will be unable to provide any loss of support financial assistance to the victim. 5. The Board will review each claim on a case by case basis and decide which expenses may be authorized
